

Hello there,

Greetings from [EPIC The Irish Emigration Museum](#). It has been a while since we were last in touch with Amherst Irish Association. We hope you have been staying as safe as possible.

For St Patrick's Day 2021 we have a unique opportunity for anyone in your community who wishes to mark their Irish connections in a special way. It will be of particular relevance to those in your community who have Irish ancestors and family members who emigrated from Ireland.

We may not be able to line the streets decked out in green, white and orange to celebrate March 17th, but we still want to honour your connection to Ireland. We are inviting everyone with Irish heritage to pay tribute to those who emigrated from the island of Ireland, by adding them to our exhibition: [The Power of a Name](#).

At EPIC we honour Irish emigrants by telling their stories and keeping their memories alive. It

is a place to visit to acknowledge them, their journeys, their struggles and to celebrate their achievements.

When people left Ireland they took something very important with them, something that would give them strength, their identity, their power to change the world and something they would pass on to their family members – their name.

Now we're inviting you to honour their name by submitting it to our [The Power of a Name exhibition](#) by adding your family member's name to our Emigrant Wall. This is a special opportunity to honour Irish ancestors in a very special way by including their name in our exhibition and bringing it back to their home shores.

Simply [click here to submit their name](#), where they emigrated from and the year they left. This will then become part of our Irish emigration history and can be seen by our visitors from all over the world.

You can find out more details on [www.epicchq.com/names](http://www.epicchq.com/names)

Help us give them the recognition they deserve.

Please forward this email to your community and contacts and let them know they can honour their family members who emigrated by being part of **The Power of a Name** exhibition.

Let's all celebrate St Patrick's Day 2021 connected via our names until we can welcome you in person for a visit.

Lá Fhéile Pádraig Sona Duit!

Thank you for your time.

Dr. Patrick Greene
